

For all your printing and packaging requirements.

What we do

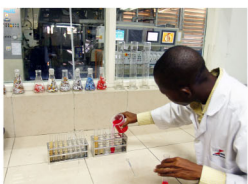

“Studio Press Nigeria Limited. as an organization incorporated in Nigeria and which is reputed for its expertise in printing of paper labels, flexible films and laminates as well as mono-cartons and corrugated cartons packaging for all brands of products in the market. Consequently, we at Studio Press Nigeria Limited are committed to meeting the challenges of fast changing in printing and packaging services of tomorrow. We have therefore invested in today's state-of-the arts technology by acquiring some of the most advanced printing machineries ranging from 4 colours, 8 colours to 10 colours of Gravure, Bobst, and Speedmasters Machines as well as finishing machines with the services of all tested and seasoned professional printers, which can print and deliver your jobs regardless of any large volume promptly and neatly. Our ultra modern factory is located at Israel Adebajo Close, Industrial Estate, Ikeja, Lagos.

Company Profile

We are one of Nigeria's oldest leading enterprises and also a major innovator, manufacturer and supplier of packaging materials. Incorporated in the 1960's, the Company has grown from a small print shop to occupying two ultra-modern factory premises of 65,000 sq. meters and 28,000 sq. meters situated in the prime Industrial Estate at Ikeja, Lagos.

Commitment to Quality

We strives for continuous quality improvement and customer satisfaction by consistently providing its clients international quality printed and packaging material on time, every time. We shall progress to achieve market leadership through continuous self-assessment, improvement and involvement of all our staff.
